YOUNGER CHILDREN GUIDE

March 29, 2020

Ask these questions about today's story:

- What are the Ten Commandments?
- Why did God give commandments to His people?
- Is it easy or hard for you to obey God?
- Did Jesus always obey God? Why is that good news for us?

Choose from these activities to help your kids keep thinking about the story:

- Learn the Ten Commandments with a silly song from Slugs and Bugs (included on the Home Worship webpage).
- Choose one of the Ten Commandments, and have your child draw a picture of how they could obey that commandment this week.
- Read or summarize the Ten Commandments for your kids, and have them count as you read. Then, practice counting to ten in some fun ways:
    - Go on a Ten Scavenger Hunt! Find ten crayons, ten rocks, ten light switches, or whatever else!
    - Give your kids an activity (jump, spin, sing a song, etc.), and have them do that ten times.
    - Trace both of your child's hands on a sheet of paper, and have them count ten fingers.
